Our **"Edelstein"** series (English: precious stones), are our most intensive course offer, containing 25 lessons per week. They can be joined at any time, with or without a BAMF subsidy.

Led by experienced trainers, our German courses provide a friendly and supportive atmosphere to master the basics and keep moving forward to the level of German you need.

Can you learn **full-time**?

Register in our **daytime** classes: 25 lessons per week, morning or afternoon classes for 5 units per day, 4 weeks to complete a module

(also suitable for learners applying for a **language learning visa**)

Do you **work** during the day?

Then look at our **evening classes**: 12 lessons per week, classes after 18:00, 4 lessons @ 3 evenings per week, 9 weeks to complete a module

The courses contain 6 modules of 100 lessons each, to achieve the level needed for the exam **"Deutsch Test für Zuwanderer"** (DTZ, level A2-B1)

Afterwards, the "Orientation course" of another 100 units will lead to the exam **"Leben in Deutschland"** (LiD)
