

German intensive courses at Fokus: high quality, value for money and with long-lasting results!

Our "**Edelstein**" series (English: precious stones), are our most intensive course offer, containing 25 lessons per week. They can be joined at any time, with or without a BAMF subsidy.

Led by experienced trainers, our German courses provide a friendly and supportive atmosphere to master the basics and keep moving forward to the level of German you need.

Can you learn **full-time**?

Register in our **daytime** classes: 20 lessons per week (also suitable for learners applying for a **language learning visa**)

The courses contain 6 modules of 100 lessons each, to achieve the level needed for the exam "**Deutsch Test für Zuwanderer**" (DTZ, level A2-B1)

Afterwards, the "Orientation course" of another 100 units will lead to the exam "**Leben in Deutschland**" (1 in)

Live in Germany, speak German, - integrate into German society

Integration courses are subsidised by the Bundesamt für Migration und Flüchtlinge (BAMF). If you qualify, BAMF will pay part of your course fees.

You can apply for the Berechtigungsschein (proof of eligibility) from BAMF, or the "Ausländerbehörde". In certain cases, BAMF will fully subsidize your course.

Private payers are welcome to join the group at any moment.
